

FASHIONCLASH

Permission for the processing of personal data, photography and/or video/film material, within the framework of the General Data Protection Regulation (GDPR).

Hello! We think it's great that you want to participate in the project MASCOT, an activity of Fashion Makes Sense - a project of FASHIONCLASH.

By agreeing to this form, you agree that FASHIONCLASH may record your personal information and/or create photographic images and/or video/film material, where your personal image and information may be used publicly. Of course, address details, telephone number and e-mail address are not shared publicly.

Below, we explain which data/images this form concerns and what they can be used for.

WHAT?

- Photos and/or videos that a photographer takes during the MASCOT workshop (this also includes social media content such as for Instagram and TikTok);

WHERE?

- Our website (www.fashionclash.nl)
- On FASHIONCLASH social media (Facebook, Instagram, You Tube etc.)
- Reports to agencies that provide grants to the project.
- Presentations. Think of FASHIONCLASH Festival 2022.

In the context of the General Data Protection Regulation (GDPR) (Regulation (EU) 2016/679), we must therefore indicate why we use this personal data. See above.

We only use your personal data to the extent necessary, and in the manner as described or to the extent that a comparable use is logically related.

You can object (in advance) to this processing. That is why we ask you to specifically indicate if you do **NOT** want us to use certain personal data in a certain way. **You can indicate these exceptions in your application form.** Please note, if you object to much or every use of your personal data, participation in certain activities of the project may be difficult, because it will then not be possible to realize MASCOT in the intended form.

Data Policy Minors

Apart from the information required for the Fashion Makes Sense project, we do not collect any further data. If you are 15 years or younger and want to participate in Fashion Makes Sense activities, you must have explicit permission from your parent(s) or guardian to use your personal data. **Even if you are older than 15, we assume that you let your parents know that you are signing this document so that there can be no confusion about this**

afterwards. If your parent(s) or guardian have any questions, they can contact us by sending an email to fms@fashionclash.nl.

For questions about this form, including withdrawing your consent, please contact FASHIONCLASH via fms@fashionclash.nl, stating "FMS consent" in the subject line.
